 GIET SCHOOL OF PHARMACY - GIPR  
 GIET POLYTECHNIC COLLEGE - GIET

GIET Campus, Chaitanya Knowledge City, NH-16, Rajahmundry, East Godavari District, A.P., INDIA  
 Tel: +91-883-2484828-31, Fax: +91-883-2484739 Contact: 9949993483, 9989532590 | www.giet.ac.in

## Location Advantage

Rajahmundry – the cultural capital of Andhra Pradesh with a hoary past. If you have a keen ear, you can hear the cool breeze wafting across Godavari carry with it musings about a myriad great persona of the rich emerald region: Illustrious literati, renowned social reformers, heroic freedom fighters, benevolent philanthropists et al. Known as the rice granary, the city is agriculturally abounding, Rajahmundry is also a rich repository of gas deposits. A fast-growing industrial belt, the city is well connected by road, rail and airways. Among the many landmarks, GIET is one of the crowning glories of Rajahmundry with its own share of history and achievements - a top-notch seat of education with a formidable reputation for nearly two decades.

## Connectivity

12 K.M. from Rajahmundry Airport. Airport Code: RJA

13 K.M. from Rajahmundry Bus Complex.

15 K.M. from Rajahmundry Railway Station. Code: RJY

## Message from the Chairman

In the wake of proliferation of colleges offering engineering education, aspiring professionals are torpedooed by a whole slew of choices. Discretion is what matters. Judicious decision is what counts. Because, when it comes to the best, the choices are few and far between. At GIET, our courses enable students to develop their engineering knowledge, skills, imagination and experience to the highest levels in readiness for your future career. We strive to foster a learning culture that prepares students to be key contributors to society through their technological, professional and personal skills. Our faculty and our students thrive in an environment of new ideas and concepts that expand the understanding of science, engineering and architecture. Now, doesn't that make GIET a prudent choice?

### *Mission*

*To foster human excellence imbued with integrity, loyalty and the spirit of service to mankind through quality education steeped in Indian ethos and values*

### *Vision*

*To evolve and emerge as a premier and the most preferred destination for every level of academic pursuit across the country*

► **K. Ravi Kiran Varma, MLC**  
Managing Director, Chaitanya Group

► **K. Sasi Kiran Varma**  
Executive Director, Chaitanya Group

## Message from the Directors...

"A mind is a fire to be kindled, not a vessel to be filled" says Plutarch. The distinguished faculty at GIET follows this tenet with a missionary zeal. They take pride in personally mentoring their students. They provide solid foundation to students, and equip them with the knowledge, skills and attitudes to confidently move on to the next phases of life successfully. Over a course of nearly two decades, they have nurtured a remarkable pool of engineering talent that has come to make a mark at home and abroad as well. That's what has enabled GIET to gain a place among the top-tier engineering colleges in the country. And that's what has made GIET the chosen destination for aspiring engineers. Yet, in our quest for excellence, we keep moving ahead raising the bar constantly. For, excellence is not a destination, but a constant journey. Excellence is not a static benchmark, but a dynamic norm.

WELCOME TO

## Idyllic setting

By any reckoning, Godavari Institute of Engineering & Technology (GIET) reflects a most consummate setting for scholastic pursuit. The sprawling 300-acre campus is a world in itself that leaves nothing to be desired. Situated on the National Highway of Rajahmundry, Andhra Pradesh, the campus contains wooded areas, open meadows, and standard sports pitches, all surrounding a central hub of key buildings which form the heart of the Campus. Our students receive a stimulating, challenging and supportive academic experience alongside a fulfilling and enjoyable social life.

## Credentials few can Claim

- An institution accredited by NAAC 'A' Grade (CGPA 3.31 out of 4 Scale)
- NBA-accredited and an ISO Certified institution.
- Recognized by UGC Under Section 2 (f) and 12 (B).
- Permanently affiliated to JNTUK, Kakinada.
- PIO / Foreign Nationals Status.
- 'GIET MIC' - Awarded India's Best Microsoft Innovation Center by Microsoft.
- 1st Cloud Campus in South India - TCS-ION
- The Institutions have signed MoUs with Foreign Universities of UK, USA and Canada for faculty / student exchange programs, dual degree programs and for joint research.
- Only engineering college in the region with the Centre for Red Hat Learning offering training for RHCP Certification.
- Only college in the region to have alliance with Oracle Corporation for Oracle Certification Courses.
- TCS Accredited College for Faculty, Student Development Programs and Placements.

ENGINEERING COLLEGE APPROVED BY AICTE | AFFILIATED TO JNTUK, KAKINADA

*Previously Known as Chaitanya Institute of Engineering & Technology*

*Ultimate Destination For Future Engineers*

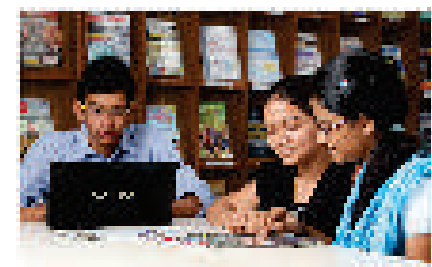

**ESTD-2005**

## About **COLLEGE**

Located at Chaitanya Nagar on NH-5 on the outskirts of Rakahmundry within the GIET campus, GIET College of Engineering is approved by AICTE and affiliated to JNT University, Kakinada. The college offers the best of an engineering college atmosphere coupled with the intellectual and technological resources of a world-class institution.

GIET Engineering College is uniquely positioned to educate the technological leaders of tomorrow. The goal is to position our engineering graduates to be problem solvers, project leaders, communicators, and ethical citizens of a global community. The college offers the students a rich educational experience of intellectual rigor in an intimate, student-centered environment.

Experiential pedagogy and project-based activities provide the students with extensive laboratory and design experience, as well as close interaction with exceptional faculty at the forefront of their fields.

# Campus HIGHLIGHTS

- WiFi-enabled campus with ultramodern facilities.
- Core, Guest & Adjunct Faculty of renown.
- Exposure to workplace experience through internships and incubation labs.
- University toppers, Gold Medalists & CAT rankers among GIET students.
- Impressive Placements track-record - Blue-chip national & global corporates among GIET recruiters.
- The only institution which has more than 25 Ph.D., faculty working since 5 years.
- Library with a large number of curriculum-related volumes and technical reference resources.
- State-of-the-art Laboratories.
- Special coaching in soft skills, communication skills and interview-facing.
- Internships, mini-projects and industrial visits for hands-on experience.
- Video conferencing facility.
- On-Campus boarding facility with A/C special suites & excellent dining, entertainment & workout zones.
- Gymnasium with state-of-the-art equipment.
- Separate menu for North Indian and Foreign Students.
- Mineral Water Plant.
- Bus facility for day-scholars.

# Boarding FACILITIES

GIET is among the few institutions that boast of the best of on-campus accommodation. The perfect ambience inside the hostel and the pleasant atmospherics around it combine to create an exciting environment. No minutiae are missed so that the students can pursue the course in right earnest. No facility is left unattended so that on-campus stay leaves the students with nothing to be desired.

## Boarding Rooms

The boarding rooms are spacious, well-ventilated, clean and comfortable. There are air-conditioned special suites if the students desire. Each of the boarders is provided with a well-planned reading/working space along with a table lamp. And that ensures a disturbance-free environment for the other roommates. Also, each of the boarders is provided with cushioned bedsteads for a cozy night's sleep. Individual cupboards are made available for the inmates of the hostel with lock-and-key facility to keep their valuables safe and secure. The bathrooms in the hostels are fitted with showers and geysers and uninterrupted water supply in the bathrooms is ensured with a dedicated maintenance staff.

## Dining & Kitchen

The dining rooms in the hostels are spic and span, complemented by a highly hygienic kitchen. Zero-tolerance to dirt, smoke and fumes is reflected in every aspect of the dining rooms and kitchen. Professional chefs and well-trained staff at the dining facility make sure that the boarders are treated to a sumptuous and delectable fare of breakfast, lunch and dinner every day.

## Water Treatment Plant

A mineral water plant enables the boarders to safeguard themselves from the harms of consuming contaminated water both at the hostels and college.

## 24/7 Clinic

The clinic at the hostel attended by a qualified, residential doctor is available to the students round-the-clock. Not just when in case of emergencies / exigencies, the students are put through a regimen of health check-ups periodically.

## Gym

A state-of-the-art gym at the hostel allows access to the boarders to keep physically fit and mentally agile. It is equipped with latest work-out wherewithal. The students can also avail the services of a qualified and experienced trainer.

## Indoor Sporting

To strike the much-needed balance between studies and sports, the hostels are provided with indoor sporting facilities. Off the study-time, the boarders can relax engaging themselves in some sporting activity—table-tennis, caroms, chess etc

## Security

The hostels have a fool-proof security system around them so that intruders do not venture into the hostel rooms or harm the inmates therein. As the hostels are located on-campus, the security staff at the college provided with sophisticated vigilance equipment constitutes the first and formidable barricade for intruders / trespassers.

# The Faculty

The Role of the Faculty in a Professional Institution generally encompasses three areas of responsibility - Teaching, Research and Service. The Management of GIET Campus Institutions always lays emphasis on identifying and recruiting highly qualified and well-experienced Faculty, so that the students studying in the GIET Campus Institutions will be highly benefitted with the quality of teaching. The Management not only gives importance for the use of modern pedagogical Techniques to improve the quality of teaching in the class rooms, but also focuses on Research and services such as student mentoring, Counselling etc. The Management also frequently organises Faculty Development Programmes and depute the Faculty to various Workshops organised by reputed institutions in India, so that our Faculty constantly update their knowledge.

The singular feature of GIET is its high-caliber intellectual capital consisting of elite group of core, adjunct and guest faculty members drawn from renowned academic institutions and industry. More than 25 Ph.D. qualified faculty are working with us from past 5 years.

Our senior Faculty with Ph.D.s

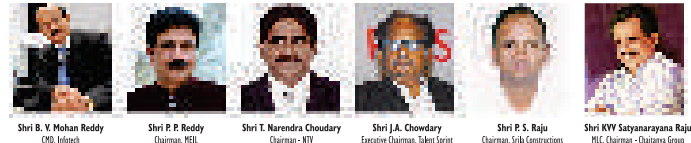

Faculty Development Program by TCS

## LEADERSHIP SUMMIT

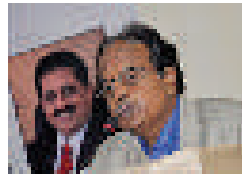

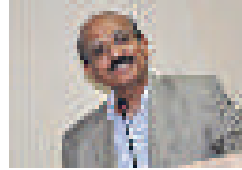

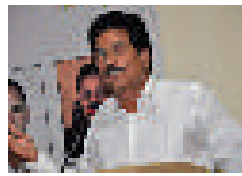

### KEY NOTE SPEAKERS

Shri B. V. Mohan Reddy, CEO, Infotech; Shri P. P. Reddy, Chairman, M&L; Shri T. Narendra Choudary, Chairman - NTV; Shri J.A. Choudary, Executive Chairman, Talent Sprint; Shri P. S. Raju, Chairman, Srija Constructions; Shri K.V. Satyanarayana Raju, MIC, Chairman - Chaitanya Group

### GIET Convenes Leadership Summit

The 'Leadership Summit' organized by GIET drew luminaries from the corporate world, who were glad to share their thoughts and experiences with the student community. B V Mohan Reddy, Chairman of Infotech along with Chairman of Mega Engineering Infrastructures P P Reddy, Chairman of NTV, Mr. T. Narendra Choudary and Executive Chairman of Talent Sprint J A Choudary spoke on the occasion. They emphasized the need for developing leadership qualities by the students along with domain expertise. They said, the impressive headway India is making on the economy front in the comity of national can be sustained only through quality leadership on all the fronts.

## Student HR Summit

The Student HR Summit was highly successful and widely applauded by the student community and HR fraternity in bringing the Industry stalwarts and career aspirant students from various colleges under one roof. The HR Summit explored real time scenarios of how companies can identify the right individuals and talent to enhance organizational performance vis-a-vis the preparedness required from student perspective. The panelists included experts from Academia and HR domain - Dr. Allam Apparao, Former Vice Chancellor, JNTU K, Mr. P. Dubey, Director-STPI, Mr. Mohit Kumar, Vice President HR at Aditya Birla Idea Cellular Group, Ms. Aparna Reddy, Regional Head-HR at SifyCorp, R. Kannan, Senior Manager-HR, Reddington India Ltd., Mr. Siva guru, HR Head, HCL Technologies, Mr. Karthikeya, Regional Head, Johnson Controls, Mr. Jacob Rajkumar, Vice President at Symbiosis Technologies et al.

## FIRST 'CLOUD CAMPUS' IN SOUTH INDIA

# TCS iON

GIET now boasts of yet another significant feature in its state-of-the-art facilities – Cloud Campus. An online campus management solution from TCS-ION, Cloud Campus facilitates 'accelerated learning' through an interactive process on the part of students. It opens up virtually a world of learning opportunities for students to keep abreast of the latest technological breakthrough and research advancements relevant to their field of study. At the same time, it helps effectively network the students, parents and the college management to keep a tab on the happenstances on a daily basis. Inaugurating the facility at GIET, Global Head of TCS-SMB Ramaswamy was highly appreciative of GIET's commitment and initiatives in providing quality education for its students.

# BEST ENGINEERING COLLEGE HONOUR FOR GIET

GIET has been awarded the Best Engineering College at the Educational Excellence Awards. K Sasikiran Varma has received the award from the hands of Sashi Tharoor at an impressive ceremony and from Mr. Chetan Bhagat, famous novelist and actor. Varma informed that GIET has been selected for the prestigious award based on a comprehensive survey conducted by Brands Academy – a premier brand

consulting organization in India. Rating is based on multiple parameters of critical importance – such as instructional resources, intellectual property, educational support systems, performance track-record, placements profile etc. On receiving the award, Varma expressed his gratitude to the faculty, students and support staff who made it possible.
