

PROSPECTUS (2018-2019)

From the desk of Vice-Chancellor

Let me take this opportunity to welcome you to Vidyasagar University. Created as a state university in 1981, the fledgeling institution flourished rapidly. Having begun on a modest scale in 1986-87, with six post-graduate departments, the university now conducts studies in frontier and interdisciplinary areas of science, social science, humanities and commerce, spread across twenty six PG departments. The University is proud of its highly qualified and dedicated faculty members, motivated students and research scholars, and adequately equipped supporting and administrative staff who are capable of assimilating the forces of modernization and globalization in the field of higher education.

The university is named after Pandit Iswar Chandra Vidyasagar, the legendary 19th century pioneering social reformer, social activist, litterateur who was dedicated to the cause of the upliftment of women. Since its inception the university has committed itself to the goal of teaching and learning in higher education, ensuring quality education and providing research and extra-curricular activities in the best possible manner in order to spread the benefit of higher education in a location which is relatively backward but which has a glorious history of playing a lead role in the freedom struggle of India. Within the last 32 years of its existence, the university has registered its growth both qualitatively and quantitatively. Post-Graduate studies are conducted not only in university departments but also in 32 affiliated colleges /institutions as well. The number of affiliated colleges is 76 and the subjects offered in the undergraduate colleges cover the traditional subjects as well as modern emerging ones. A few professional colleges providing courses in management and social work also belong to this university circuit.

Situated on the fringes of the historic city of Midnapore, the university, has a beautiful sprawling and eco-friendly plastic-free campus which houses administrative departments, post-graduate departments for teaching, learning and research, a centre for distance education, expanding hostel buildings for both male and female students, residential accommodation for both teaching and administrative staff, a play ground, a student amenity centre and extension centres. The university now boasts of being one of the first smart campus in West Bengal. Much of these extension and developmental activities have taken place within the last decades of its existence in response to increasing demands of higher education in the locality.

This Postgraduate Prospectus provides you with useful information about Vidyasagar University's background, admission requirements, structure of its academic programmes and general information about the services and facilities available in this University. In consonance with its vision to be a centre of excellence in the areas of teaching and research & development, Vidyasagar University's academic structures and curriculum aim at enhancing the students' ability to become highly competent professionals and global players of the future. Highly capable and experienced staff looks after teaching and learning processes and research work. The equipments, machinery and ICT facilities available in the University adequately support research and innovation activities that are reflected in various postgraduate programmes.

We look forward to receiving you as a new member of the Vidyasagar University community. Join us and be proud of your identity as a student of Vidyasagar University.

Professor Ranjan Chakrabarti
Vice-Chancellor
Vidyasagar University

ABOUT THE DEPARTMENTS

Vidyasagar University started its academic activities during 7th plan period (1985) from the session 1985-1986 following an Act of the State Assembly to cater to the needs of higher education with special emphasis on the all-round development of the rural areas of the agro-based districts of Midnapore. The geographical area covered by this University is quite under-developed and that demands special attention on human resource development to improve socio-economic condition of the people of this region. Courses have been designed with that end in mind.

The University started with six Post-Graduate Departments under Arts & Commerce and Science Faculty from the session 1985-1986 and each designed course lays special stress on regional needs. Subsequently in 1989 & 1990, nine more P.G. Courses were added and special attention and weightage were duly given to the need of the locality keeping in mind the environmental requirements like Forestry, Fisheries, Health and Nutritional needs of the people and the technological requirements for industrial developments of the region.
